“Excursus 1: Role of the Word”

Introduction

Seeing the strong connection between craving the word and spiritual growth that is made in this passage consider these next two questions.

- What keeps you from craving pure spiritual milk (the Word of God)?

- What can and will you do to develop this craving?

Let's Pray:

- That each of us would crave the Word of God, and that that craving would grow.
- For an openness of hearts in our community to the message of the Gospel.
- For the upcoming parenting seminar we are offering as a church.
- For the community and the hurts we have endured in recent months.
