

Applying the Word to Life

- What's the difference between being in the pit and having your feet on the rock?

Quicksand -

- Share a new song God has put in your mouth. You don't have to sing just share a story of time when God lifted you.

Two main takeaways -

- How can you, "dig out your ears" so you can hear God better?

Life in the pit -

- How does hearing another person's story of being lifted out of the pit encourage you? Think about how your story could encourage someone.

Let's Pray for:

- Wisdom for the leaders in the school district as they plan for the start of the school year.
- An end to virus and the division that is resulting from it.
- Opportunities to share the Gospel and receptive hearts to hear it.
