REGATHERING GUIDANCE

General Principles

- Chairs will be set up in household group* clusters, 6 feet apart, to allow for social distancing. Ushers will help families get settled/move around chairs as necessary.
- Seating will be limited in each location; all participants are asked to sign-up online to reserve a spot. Call the church office if you need assistance.
- Please avoid congregating at entrances and doorways.
- After the service, please head out to the parking lot. There will be no coffee or fellowship in the foyer. If you decide to have conversations in the parking lot, please maintain social distance.

Worship Service In The Sanctuary

- Preaching will be done live; congregational singing will occur late in the service to limit exposure as well as have fewer songs.
- Those attending worship in the sanctuary are asked to park in either the north or south parking lots and enter through those doors
- Wearing a mask/face covering is encouraged. Please understand that those addressing the congregation from the platform will not be wearing a face covering so as to be clearly understood.

Room 103 (Music Room)

- Worship will be live streamed from the sanctuary; music may be replayed from the sanctuary, but as an added precaution we are asking people to not sing out-loud.
- Please park in the north parking lot and enter through the main north foyer doors.

Nursery and Children's Church Available During the Worship Service

Nursery (birth-2 years) and Children's Church (3 years old - 2nd Grade) are available during the worship service. Parents, nursery is located upstairs, room 203. Children's Church will be meeting outside under the shelter at Florence Park (Across from GraceWay, on Lincoln Ave), kids can be dropped off and picked up there. The bathrooms at the park are open, and we will have hand sanitizer and water available. Masks are optional and we will do our best to have kids spread out. No snacks will be provided, and the number of toys (nursery) has been reduced to aid in cleaning. Questions or concerns can be directed to Anna at anna@gracewaysaukprairie.org.

GRACEWAY HAPPENINGS

2020 Church Pictorial Directory

- It's been two years since we have updated GraceWay's pictorial directory, lot of changes during that time. I would like to start the process of producing an updated directory and of course I need your input and approval. I would also like to let you know about an alternative to our typical printed directory: *a digital directory*. The digital directory can allow you to easily update your personal/family information, as needed. A digital directory would also save GraceWay the cost of paper, printing and time. Please visit the Happenings Page on GraceWay's website for more information or call Kim at (608) 643-6064.

Communion Service Temporary Date Change

- We will have one additional change to the typical fourth Sunday Communion, August 23 (fourth Sunday) will move to August 30th.

Online Giving

- We're excited to offer another option for giving to GraceWay Church - online giving. Go to GraceWay's website to learn more about this new opportunity or call Kim at (608) 643-6064. Also, for every 25 recurring gifts our congregation sets up, GraceWay Church will receive \$200 for our youth program from our online giving vendor, Kindrid!

Church Financials

- Thank you for your continued support during this uncertain time! Here are the latest numbers.
