**Benediction**

# REGATHERING GUIDANCE

## General Principles

- Chairs will be set up in rows, every other row will be used to allow for social distancing. Household groups sitting together is fine (10 or less in a group). Non household groups or individuals should have three empty chairs between themselves and other household groups or individuals. Ushers will help families get settled as necessary.
- After the service, please head out to the parking lot. There will be no coffee or fellowship in the foyer. If you decide to have conversations in the parking lot, please maintain social distance.

## Worship Service In The Sanctuary

- Preaching will be done live; congregational singing will occur late in the service to limit exposure as well as have fewer songs.
- Wearing a mask/face covering is encouraged. Please understand that those addressing the congregation from the platform will not be wearing a face covering so as to be clearly understood.

## Room 103 (Masks Required)

- Worship will be live streamed from the sanctuary; music may be replayed from the sanctuary, but as an added precaution we are asking people to not sing out-loud.

## GraceWay Courtyard (Masks Optional)

- A livestream of the service will be shown outside in the courtyard (weather permitting) for those interested
- Please bring a lawn chair or blanket to sit on during the service

## Nursery and Children's Church Available During the Worship Service

Nursery (birth-2 years) and Children's Church (3 years old - 2nd Grade) are available during the worship service. Parents, nursery is located upstairs, room 203. Children's Church will be meeting under the shelter at Florence Park, kids can be dropped off at the park. Masks are optional and we will do our best to have kids spread out. Near the end of worship service, kids will be walked over to the GraceWay courtyard, please plan to pick them up there. In the event of poor weather, we will move into the chapel. In this case masks would be recommended, if able, in compliance with the state's mandate. Questions or concerns can be directed to Anna at [anna@gracewaysaukprairie.org](mailto:anna@gracewaysaukprairie.org)

## GRACEWAY HAPPENINGS

### 2020 Church Pictorial Directory

- It's been two years since we have updated GraceWay's pictorial directory, lot of changes during that time. I would like to start the process of producing an updated directory and of course I need your input and approval. I would also like to let you know about an alternative to our typical printed directory: *a digital directory*. The digital directory can allow you to easily update your personal/family information, as needed. A digital directory would also save GraceWay the cost of paper, printing and time. Please visit the Happenings Page on GraceWay's website for more information or call Kim at (608) 643-6064.

### Online Giving

- We're excited to offer another option for giving to GraceWay Church - online giving. Go to GraceWay's website to learn more about this new opportunity or call Kim at (608) 643-6064. Also, for every 25 recurring gifts our congregation sets up, GraceWay Church will receive \$200 for our youth program from our online giving vendor, Kindrid!

## SAVE THE DATE

Community Worship and Prayer, Sept 9, 6:00 p.m., at Expeditions

Education Hour Resumes on Sunday, Sept 20, 10:20 a.m.
