For the week of 5-29-2022

Getting Started:

1. In your own mind, do you tend to view God as a God of rules and regulations, or a God of mercy and forgiveness?

Digging Deeper:

Read Numbers 9:1-14

2. Where do you see evidence of God's expectation of precise obedience in this passage? Where are there examples of his mercy and grace?
3. Does God ask for precise obedience from Christians? How would you support your answer from Scripture?
4. Where have you seen God's offer of second chances?
5. Study the following two passages. How could you use either passage to counsel a person who tells you, "I'm going to sow my oats now, live it up while I'm young, experience all that the world has to offer. There's plenty of time to come back to the Lord when I'm older."

2 Peter 2:9-22

2 Timothy 2:24-26
