

6. What is the purpose and significance of the silver trumpets, as described in 10:1-10?

7. If the movement of the cloud is God giving directions, the sounding of the trumpet is leadership saying, "This is what God is calling us to do. Let's do this!" What does that look like in our families? What does that look like in our church?

"Moving at the Pace of God"

Numbers 9:15 – 10:10

June 5, 2022

Digging Deeper:

Read Numbers 9:15-10:10.

2. From 9:15-23, what impressions do you have of God and the nature of His relationship with His people?

3. As He does in 9:15-23, how did God earlier demonstrate His guidance of the people through the fiery cloud in Exodus 13:21-22 and 40:34-38? What else is demonstrated by God according to Neh. 9:16-21?

4. What guidelines and principles for God's guidance of His people can you ascertain in 9:15-23, and how do these relate personally to you? What does it look like to watch the cloud, follow the cloud, and wait for the cloud as New Testament believers?

5. When God is leading, how hard is it to wait? Is there something you are waiting for? Some destination that God is taking you to, but right now, you're in camp, and the cloud is not moving?
