**Let’s Pray**

# Growth Group Homework

For the week of 6-26-2022

## Getting Started:

1. Why is leadership sometimes lonely?

## Digging Deeper:

Read Numbers 11.

2. Can you relate to Moses' dismay (11:10-15)? If so, when have you experienced a similar sense of being overwhelmed? Was there anything in particular that you remember helping you get past that crisis?
3. Are there any areas of responsibility in your life where you care for and lead other people? Are there times when you feel alone in that duty? What do you typically do when that is the case?
4. The Scriptures often point us to the benefit of partnering with other qualified leaders who are evidently enabled in their ministry by the Holy Spirit. Consider the following Scriptures and how "Spirit-enabled ministry" might look in your particular area of leadership.

1 Corinthians 2:12

2 Corinthians 3:18

Galatians 5:16-26

Ephesians 5:18-21

1 Peter 4:10-11
