Growth Group Homework

For the week of 09-15-2024

Getting Started:

1. How does life in a fallen world differ from God's original design? What are some things from which we need rescued?

Digging Deeper:

Read Ruth 4:1-12.

2. Contrast Boaz and the nearer kinsman. How is Boaz a better redeemer?
3. "Naomi has to sell the piece of land" (4:3). Read Leviticus 25:8-28. Can she technically sell the land (transfer title)? What is it that she is selling? For how many years? What determines that? How does this impact your understanding of the nearer kinsman's two different responses?
4. The term "better" is important in the book of Hebrews. Use a concordance or online search to look up all the instances of that word in Hebrews. Summarize what those instances in Hebrews teaches about the ministry of Jesus. How is Jesus a better redeemer?
