"Jesus Heals Many at Simon's House"

Mark 1:29-34

April 13, 2025

5. When did the crowds of people come to Jesus? How might Jesus have felt at this time, considering He had spent the day at the synagogue teaching and healing (1:32)? How do you feel about serving your family at home after a long, hard day?
  
6. Why do you think Jesus did not want the demons to reveal that He was the Messiah (1:25, 34)?
  
7. What difference should it make in our lives that Jesus has the power to heal the sick and deliver the demonized?
  
8. What concrete step can you take to serve or help someone else this week?

3. Why do you think Jesus used personal contact to heal the woman of her fever (1:31)? Why is personal contact important in serving the needs of people?
4. What was the woman's immediate response to Jesus healing her (1:31)? Following her example, what should we do when others serve or help us? What excuses do we use to neglect serving other people?
