

# Growth Group Homework

For the week of 05-04-2025

Questions adapted from James Galvin, ed., et al., New Testament Lesson Maker, NavPress, Colorado Springs, CO, 1992, p. 70; Lyman Coleman, et al., eds., Serendipity New Testament for Groups, Serendipity House, Littleton, CO, 1986, p. 90; James Hoover, Mark: Follow Me, InterVarsity Press, Downers Grove, IL, 1999, pp. 16-17; Ted Dorman, Karen Lee-Thorp, ed., Life Change Series: Mark, NavPress, Colorado Springs, CO, 1995, pp. 28.

## Getting Started:

1. What is the greatest miracle you've ever seen?

## Digging Deeper:

Read Mark 1:40-45.

2. **For Further Study:** Identify the Mosaic Law requirements placed upon those with a confirmed case of leprosy (see Leviticus 13:45-46; Numbers 5:1-4). Imagine yourself in such a condition. How would this disease affect you psychologically, religiously and socially?
3. What risks did the leper take in coming to Jesus? What evidence do we see that the sick man in this story was desperate? What do the man's words to Jesus tell us about his attitude or spiritual condition (1:40)?
4. What risks did Jesus take in responding to him as he did? How does Jesus respond to the man's total need?
