For the week of 07-12-2026

Please read Psalm 107:23-32

Getting Started:

1. What crisis brought these men to their wit's end? David Wilkerson says "wit's end" means having lost or exhausted any possibility of seeing or think of a way out.
2. What did they do when they came to the end of their ability and resources?
3. With what results?

A couple of Biblical examples of people who found themselves at wit's end:

4. 2 Chronicles 20. What problem confronted the people? How did the Lord deliver them?
5. Mark 4:35-41. What problem confronted the disciples? How did the Lord deliver them?

6. When have you found yourself at your wit's end?

7. How did the Lord rescue you?

Thank the Lord for His goodness and look for opportunities to tell others about what He has done for you.

Let's Pray:
